

## Materials Needed For Entering. . .

All parents and students should refer to the student handbook to plan appropriately within the guidelines for dresscode, mission jeans days, dress up days, etc.

In the event that student dress is not in compliance, alternative clothing is available in the office or a parent will be contacted for other options.

ALL Grades: Student Handbook is available on the website & Sycamore	Grades 7-12 items: -Earbuds or headphones for Device are useful -Journaling notebook for prayer & zero period -Water bottle, optional	Grades 7-12: Since each classroom needs Kleenex tissues, we are asking each student to bring 3-4 boxes of Kleenex. Teachers can share them between the classes rather than bringing 7-8 box per student for every class.
