Dear Parents,

We would like to thank you all for entrusting us with your children and for giving us the opportunity to share in your role of providing a Catholic education for your children. Nothing is more important to us than to lead your children to Christ and Christ to your children.

By investing in Catholic education, we provide our children an education that allows them to encounter Jesus Christ, excel academically, and maximize their full human potential. Norfolk Catholic equips students with a foundation that serves them well beyond their preschool, grade school, and high school years.

The average cost to educate a student in grades K-6 is \$7,009 and in grades 7-12 is \$9,270. Thanks to the generosity of many parishioners of Sacred Heart Parish, a parish subsidy is provided to all families. We believe the cost of tuition should not prevent families from experiencing the blessing of a Catholic education.

Norfolk Catholic School utilizes the FACTS platform for enrollment, tuition collection and distribution of the parish subsidy. **As part of the registration process for 2026-27, all families must re-enroll with FACTS at <https://online.factsmgt.com/signin/43NW8>. For most of our school families, you will be a returning user, so updating your information will only take a few minutes. New families will need to create a username and password.**

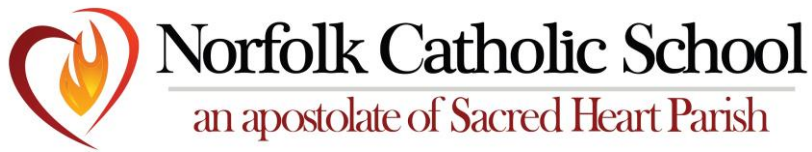

Enrollment with FACTS is now open. All families have until **Friday, May 1**, to complete their enrollment form. **The enrollment process also gives families an opportunity to update demographic information as well as apply for internal tuition assistance if so desired. Parents will receive an email no later than Friday, May 29, notifying them what their 2026-27 tuition rates will be. If you do not receive an email, please contact the business office. NOTE: When completing the application, you do not need to upload any tax documents if applying for tuition assistance. Your application will show it is incomplete and that is okay.**

If you have a K-8th grade student in the 2026-27 school year please visit <https://www.csfomaha.org/parents-family/new-applicants.html> to review the income guidelines to see if you qualify to apply for a scholarship funded by the Children Scholarship Fund. **The absolute deadline to apply is Friday, May 1. No late applications will be accepted.**

The **FACTS link** as well as the **Children Scholarship link, income guidelines and dues dates** can be found at <https://www.norfolkcatholic.org/admissions/tuition-financial-aid>. **As additional scholarship opportunities become available, we will pass the information on to you.**

Estimados padres:

Queremos agradecerles la confianza que depositan en nosotros para el cuidado de sus hijos y la oportunidad que nos brindan de participar en su labor de educarlos en la fe Católica. Para nosotros, nada es más importante que guiar a sus hijos hacia Cristo y a Cristo hacia sus hijos.

Al invertir en la educación católica, brindamos a nuestros hijos una formación que les permite conocer a Jesucristo, sobresalir académicamente y desarrollar al máximo su potencial humano. Norfolk Catholic proporciona a los estudiantes una base sólida que les será útil mucho más allá de la etapa preescolar, primaria y secundaria.

El costo promedio de la educación primaria (de kínder a sexto grado) es de \$7,009 y de secundaria (de séptimo a duodécimo grado) es de \$9,270. Gracias a la generosidad de muchos feligreses de la Parroquia del Sagrado Corazón, se ofrece un subsidio parroquial a todas las familias. Creemos que el costo de la matrícula no debe impedir que las familias disfruten de la bendición de una educación Católica.

La Escuela Católica de Norfolk utiliza la plataforma FACTS para la inscripción, el cobro de la matrícula y la distribución del subsidio parroquial. **Como parte del proceso de inscripción para el ciclo escolar 2026-27, todas las familias deben volver a inscribirse en FACTS en <https://online.factsmgmt.com/signin/43NW8>. Para la mayoría de las familias de nuestra escuela, usted será un usuario recurrente, por lo que actualizar su información solo tomará unos minutos. Las familias nuevas deberán crear un nombre de usuario y una contraseña.**

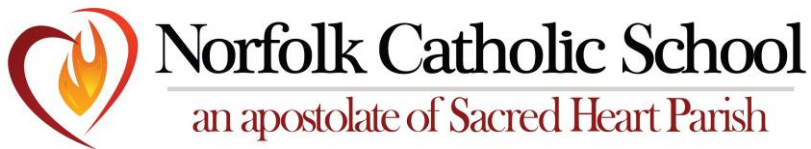

Ya está abierta la inscripción en FACTS. Todas las familias tienen hasta el **Viernes 1 de Mayo** para completar el formulario de inscripción. **El proceso de inscripción también les brinda la oportunidad de actualizar su información demográfica y solicitar ayuda financiera interna si así lo desean. Los padres recibirán un correo electrónico a más tardar el viernes 29 de mayo, informándoles sobre las tarifas de matrícula para el ciclo escolar 2026-27. Si no recibe el correo electrónico, comuníquese con la oficina administrativa. NOTA: Al completar la solicitud, no es necesario adjuntar ningún documento fiscal si solicita ayuda financiera. Su solicitud aparecerá como incompleta, lo cual es normal.**

Si tiene un estudiante de kínder a octavo grado en el año escolar 2026-27, visite <https://www.csfomaha.org/parents-family/new-applicants.html> para revisar los requisitos de ingresos y ver si califica para solicitar una beca del Fondo de Becas para Niños. La fecha límite para presentar la solicitud es el Viernes 1 de Mayo. No se aceptarán solicitudes fuera de plazo.

El **enlace a FACTS**, así como el enlace a la **Beca para Niños, los requisitos de ingresos y las fechas de pago**, se encuentran en <https://www.norfolkcatholic.org/admissions/tuition-financial-aid>. A medida que haya más oportunidades de becas disponibles, les informaremos.

Si no recibe un correo electrónico con el plan de pago para entonces, comuníquese con la oficina administrativa.**
